A newly refurbished four bedroom bungalow within a cul-de-sac featuring open plan living, garden and off road parking for several vehicles.

Beautifully refurbished detached home

Having recently undergone a major refurbishment, this detached property is immaculately presented and ready for immediate occupation. Set within a peaceful, sheltered corner plot on Grangeside, one of the most desirable addresses on the Isle of Wight, the home faces south-east and enjoys views across the Downs, with the charming beach at Monks Bay only a short walk away.

Interior

The accommodation has been carefully designed to provide flexibility and comfort, with four double bedrooms including a master suite with en-suite facilities. At the heart of the home lies a superb open-plan living and kitchen space, fitted with newly installed appliances such as a hob, extractor, oven, dishwasher and fridge freezer. This wonderfully bright and airy area flows naturally onto the extensive wooden decked terrace and lawn beyond, accessed through three sets of wide French doors to create a seamless connection between indoor and outdoor living. A large family shower room and a well-equipped laundry area with new washing machine and condenser dryer complete the arrangement.

The refurbishment has been comprehensive, extending from new mains services, central heating, plumbing and electrics, through to replacement windows, doors, flooring, insulation and carpeting. Safety has also been carefully considered with a wired fire and carbon monoxide detection system.
