## THE PROPERTY

A good family house situated on the outskirts of town in a quiet location with country views, all just a walk into Bridport. The property benefits from a recent programme of modernisation by the current owners, leaving little to do to make it your own. The house consists of a spacious living room with a sitting area to one end, focused on a fireplace equipped with a gas fire and a dining area to the other with double doors overlooking the rear garden. To one side is a contemporary kitchen fitted with a variety of grey wall and base units with a wood effect worktop and integrated cooker and oven. Upstairs there are three good bedrooms and a contemporary bathroom.

## OUTSIDE

To the side of the property is a single garage with parking at the front for two cars. The rear garden is mainly a paved terrace with a raised wooden terrace at the back with views over the field behind, perfect for alfresco entertaining.

## SITUATION

Bridport has a history of rope-making and is now a gateway to the Jurassic World Heritage coastline at nearby West Bay. It has a variety of independent shops, supermarkets, public houses and restaurants catering for a range of tastes and excellent arts and music events. Bridport is conveniently placed for Dorchester and Weymouth to the East and Axminster to the West. Walking, water sports and riding opportunities are plentiful in the area. Commuting links are good with road links along the A35 and mainline stations at Maiden Newton, Dorchester, Axminster and Crewkerne.
