- Top-floor penthouse in Leeds Dock • Approx. 1,000 sq ft of accommodation • Wrap-around private terrace with dock & city views • Principal bedroom with en-suite & terrace access • No onward chain & vacant possession • Newly installed bespoke contemporary kitchen

Occupying an enviable top-floor position in the heart of Leeds Dock, this beautifully presented two-bedroom penthouse apartment offers a rare combination of space, privacy and exceptional outdoor living.

Extending to approximately 1,000 sq ft internally, the apartment has recently been redecorated throughout and further enhanced by the installation of a sophisticated, bespoke kitchen. The result is a refined, contemporary home that is ready for immediate occupation.

At the centre of the apartment is an impressive open-plan living, dining and kitchen space. High ceilings, dual-aspect glazing and an abundance of natural light create an exceptional sense of volume, while multiple glazed doors connect the interior seamlessly with the substantial wrap-around terrace.

The terrace is one of the defining features of the property, providing extensive private outdoor space for al fresco dining, entertaining and relaxation, with far-reaching views across Leeds Dock, the waterfront and Leeds city skyline.

The newly fitted kitchen has been thoughtfully designed with clean contemporary lines, high-quality cabinetry, integrated appliances, generous preparation space and a Quooker boiling-water tap. Its open arrangement allows the kitchen to remain connected to both the dining and living areas, making the space particularly well suited to entertaining.

There are two generous double bedrooms. The principal suite is especially impressive, with fitted wardrobes, excellent storage, an en-suite bathroom and direct access onto the private terrace. The second bedroom provides substantial accommodation for guests, a home office or additional living space, with a further bathroom completing the accommodation.

Underfloor heating runs throughout the apartment's open-plan living space, while an allocated secure undercroft parking space provides a valuable additional convenience for city-centre living.

With its penthouse position, expansive private terrace and waterfront setting, this is an outstanding opportunity to acquire a distinctive home within one of Leeds city centre's most established waterside residential developments. The property is EWS1 compliant and is offered with vacant

possession and no onward chain.
