THE PROPERTY

Vendors Comments 'What we've loved most about our home is the feeling of space and the fantastic location. The garden is really special, being one of the largest plots we had seen in the area, and it's such a lovely space to enjoy with sun all day. We also love being so close to the town, while still having the benefit of private parking. The open-plan living space makes the house feel really sociable and welcoming, and being in the catchment area for all the most sought-after senior schools was a huge part of what attracted us to the property in the first place.'
