Agents Notes

Prospective purchasers are advised to conduct their own investigations through their own solicitors and surveyors. These details should be considered only as an indication to assist when deciding whether to view or not. Equipment and the electrical circuits have not been tested nor has any heating, plumbing or drainage system. Purchasers should check that the land offered is the 'whole or a part of' the parcel indicated in the land registry plan. Prospective purchasers are advised to check the boundaries as indicated against the established boundaries on the ground and any land registry documents before proceeding.

Fixtures listed in these details may be available as part of the sale. Purchasers are advised to check the fixtures list as provided at the time of sale by the solicitor.

Viewing
