Our Vendor Loves...

"This house has meant a lot to me. I bought it to do up after years of renting and I was finally able to let my creative energy loose. It has been my haven through the pandemic and lots of personal stuff. The bathroom is my joy and many an hour has been spent soaking in there by candle light unwinding from the day. I also often sit on the bed in the front bedroom looking at the trees opposite. When they're full of leaves it's easy to forget you're in London! Aside from the house the area is great as it's surrounded by transport links and parks. Easy access to nature and easy access to the centre of London. Victoria is 20 minutes from Kent House (the closest station) and Charing Cross/London Bridge/Waterloo are 30 minutes from New Beckenham. I'm now moving on to get the old creativity going for the next house."
