Jodie says:

“Welcome to this beautifully renovated mid-terrace home, ideally placed in the popular area of Hatton with fantastic transport links and great local amenities on your doorstep.

From the moment you walk in, you're welcomed by a bright and spacious open-plan living and dining area, perfect for relaxing evenings. I feel the layout has been thoughtfully planned out, with the staircase going up from the living room. The living room then flows effortlessly into a sleek, modern kitchen, thoughtfully designed with both style and practicality in mind.

The ground floor also features a newly fitted spacious bathroom, finished to a high standard.

Upstairs, you'll find two double bedrooms. The main bedroom has been enhanced with its own added toilet and wash basin, creating a private and practical retreat.

To the rear, the property truly shines. A fantastic garden room provides a versatile extra space, ideal as a home office, gym, or cosy escape. Beyond this, the long rear garden offers an amazing outdoor area, perfect for summer gatherings, gardening, or simply unwinding in your own private haven.

With the added benefit of off-road parking for one car, this home combines comfort, convenience in a desirable location. This is more than just a house, it's a place to truly feel at home.”
