Ready to move straight into, this attractive detached home offers a fantastic combination of modern living space, practical accommodation and a lovely enclosed garden, making it an ideal choice for families.

THE FINER DETAILS

This beautifully presented detached home offers generous and well-planned accommodation throughout, with four bedrooms, multiple reception spaces, excellent built-in storage and a practical layout that works brilliantly for family life. The property is finished to a high standard and feels genuinely turnkey, with everything in place for its new owners to simply move in and enjoy.

The ground floor is centred around a particularly spacious living room, providing plenty of room for comfortable seating and family life, with doors leading through to the garden. The impressive kitchen/dining room offers a sociable space for everyday meals and entertaining, while a separate utility room adds valuable practicality and keeps laundry and household essentials neatly tucked away. There is also a useful home office, ideal for working from home, alongside a downstairs WC. The welcoming hall benefits from additional storage cupboards, helping keep the everyday clutter at bay, while further useful storage can be found throughout the accommodation.

Upstairs, four well-proportioned bedrooms provide excellent flexibility for a growing family, guests or home working, with the main bedroom enjoying its own ensuite. The remaining bedrooms are served by a separate family bathroom, while several of the bedrooms benefit from built-in wardrobes, providing excellent storage without compromising on floor space. Additional cupboards on the landing add even more useful storage, making the upstairs both practical and easy to keep organised.

Outside, the property continues to impress with private parking to the front and an integral garage providing a versatile space for secure parking or storage. To the rear is a lovely enclosed garden, laid mainly to lawn with a generous paved patio area creating the perfect spot for outdoor dining, entertaining or simply enjoying the sunshine. The garden is accessible via the kitchen, into the hallway and out through the back door and also from the living accommodation via french doors, creating a lovely connection between the inside and outside spaces.
