Gorgeous deceptively spacious detached family home, stylishly updated throughout and superbly positioned down a private shared driveway enjoying a rare green outlook towards mature hedgerows and oak tree. Offering four excellent bedrooms, two beautifully refitted bathrooms, superb breakfast kitchen and landscaped gardens, this impressive home also benefits from solar panels with battery storage, EV charging point and versatile workshop/utility space.

A look inside reveals a wide and welcoming reception hallway with staircase rising to the first floor and useful storage beneath. To the left is a beautifully refitted guest cloakroom featuring a striking feature wall, contemporary vanity unit with inset wash hand basin, concealed storage and WC.

To the right of the hallway is a superbly proportioned through lounge, flooded with natural light from the walk-in front facing bay window, whilst French doors open directly onto the rear gardens creating an excellent flow for modern family living and entertaining.

Across the hallway is a generous separate dining room with bay window overlooking the attractive front aspect and green outlook beyond.

The breakfast kitchen has been stylishly refitted with an extensive range of shaker style cabinets arranged across two sides, complemented by timber worktops and a porcelain Belfast style sink with swan neck mixer tap. Integrated appliances include hob with extractor hood above, double oven, and wine chiller, whilst there remains ample space for a breakfast table. A glazed UPVC double glazed door leads directly out to the rear gardens.

Upstairs, white panelled interior doors lead from the landing to four excellent sized bedrooms. Bedrooms one and two enjoy lovely views towards the mature oak tree hedgerow and balancing pond, whilst all bedrooms benefit from fitted or built-in wardrobes.

Bedroom one is a particularly generous principal bedroom featuring triple and double fitted wardrobes, bedside units, dressing table and two front facing windows enjoying the attractive outlook. The room is complemented by a superb private ensuite shower room, beautifully appointed in the same contemporary style as the family bathroom to create a wonderful sense of continuity throughout the home. The ensuite offers a vanity unit with inset wash hand basin and storage beneath, concealed cistern WC, storage cabinets, ladder style radiator, full height tiling and double shower enclosure with recessed alcove, rainfall shower head and additional handheld shower attachment. Illuminated fitted mirrors complete the finish.

The family bathroom has also been stylishly refitted with a contemporary suite comprising shaped shower bath with glazed screen and rainfall shower above alongside additional handheld attachment. Extensive vanity storage cabinets run along two walls with quartz style work surfaces incorporating inset sink with mixer tap, concealed cistern WC and additional drawer storage. Beautiful tiling to the walls and floor together with ladder towel radiator completes this luxurious family space.

Externally, the property occupies a fabulous tucked away position hidden from the road down a long shared driveway serving this and one other home. There is excellent parking provision via the driveway together with the added benefit of a gravelled parking area opposite capable of accommodating two further vehicles. Please note this additional gravelled area is not included within the ownership but has been used by the current owners for additional parking.

Gated side access leads to the rear where the gardens have been beautifully landscaped for ease of maintenance and entertaining, being fully paved with attractive stone paving, raised brick planted borders, water feature and dedicated seating area.

French doors from the garden open into the rear of the garage which has been adapted to provide a highly useful workshop and utility area complete with base cupboards, sink unit, plumbing for washing machine and additional appliance spaces. This versatile space could easily be reinstated to full garage use if desired.

Further enhancing the property's appeal are the excellent eco-friendly credentials including solar panels with two battery storage units, helping improve efficiency and reduce running costs, together with an EV charging point.
