Summary

This house represents an exceptionally rare opportunity to acquire a freehold house on the most sought after stretch of Cliff Drive, overlooking Bournemouth Bay and benefitting from spectacular sea views.

It is located directly opposite a zig-zag connecting to arguably the areas most beautiful stretch of beach between Canford Cliffs Chine and Flaghead Chine. The current dwelling is set out over two storeys and extends to around 2000 sq ft and it could be suitable for updating, remodelling or upscaling subject to the necessary consents.

However there is planning permission in place for spectacular new contemporary dwelling designed by a leading architect and extending to over 6000 sq ft and the property is being sold with the benefit of the approved plans. A planning application was made for a smaller dwelling in March 2026 set out over three floors. Whether the current dwelling is retained or replaced the new owners will benefit from owning a coastal property conveniently located for the beach but still within easy reach of the shops and eateries in the ever popular Canford Cliffs Village.
