# Description

From the moment you arrive, this wonderful family home makes an immediate impression. A generous block-paved driveway provides off-road parking for up to three vehicles, while the attractive pitched-roof porch sets the tone for what lies within.

The porch opens into a welcoming family lounge, beautifully presented and bathed in natural light from the bay window to the front. Stylish built-in wall units with a sleek, integrated television create a refined yet comfortable space, perfect for relaxing together at the end of the day.

A square archway leads from the lounge into a central lobby, providing access to the convenient ground floor cloakroom, fitted with a white low-flush WC and hand basin. Returning to the lounge, glazed double doors open into the stunning kitchen/family room – truly the heart of this exceptional home and designed with modern family living in mind. This impressive space features a beautifully tiled floor and expansive bi-folding doors that open out onto the rear garden, seamlessly blending indoor and outdoor living. The contemporary kitchen is fitted with elegant grey units, complemented by luxurious white marble work surfaces. The striking French navy island provides both additional storage and a sociable seating area, ideal for casual dining, homework, or entertaining. There is also ample room for a large family dining table and sideboard, making this the perfect setting for family meals and gatherings with friends.

To the first floor are three thoughtfully designed bedrooms, each finished in soft, calming tones to create a tranquil retreat. The master bedroom enjoys a front-facing aspect. The second bedroom overlooks the rear garden, while the third bedroom, ideal as a child's room, nursery, or home office, features a fitted cupboard and front-facing window. Completing the accommodation is the beautifully appointed family bathroom, fully tiled in rich, dark tones that perfectly complement the elegant white three-piece suite.

Outside, the rear garden is neatly landscaped and begins with a stylish composite patio area, providing an ideal space for outdoor dining and summer entertaining. The remainder of the garden is laid to lawn, offering a safe and enjoyable space for children to play, and includes a garden shed, which is to remain.
