BREAKFAST KITCHEN 12'11" apx x 9'1" apx

You enter the property through a timber stable door into this charming breakfast kitchen, which offers space for a table and chairs alongside a fitted kitchen. There are shaker-style cream base units, contrasting roll-top work surfaces, and a stainless steel sink and drainer with mixer tap, alongside space for a freestanding cooker, washing machine, and under-unit fridge. Dual-aspect windows allow natural light in, the utility meters are neatly housed in cupboards, and there is wood-effect vinyl flooring underfoot. A painted timber ceiling and attractive timber door with wrought-iron hardware, which leads to the lounge, complete the room.

LOUNGE 15'10" max x 15'0" max

This spacious lounge benefits from a feature chimney breast with open recess, stone hearth, and deep alcoves either side. The room has been freshly decorated in neutral tones with a complementing carpet and offers an abundance of space for freestanding furniture. A rear-facing window looks over the garden and boasts a lovely window seat where you can sit and appreciate the view. There is a part-glazed external timber door that opens onto the patio, practical fitted matting by the door, and two further timber doors, with characterful wrought-iron hardware, that open to the breakfast kitchen and stairs.

FIRST FLOOR LANDING

Stairs ascend to the split-level landing, with the staircase forking at mid-level. There is space for a chair or chest of drawers and timber doors leading to the two bedrooms and shower room.

BEDROOM ONE 15'2" apx x 8'3" max

Positioned to the rear of the property with an outlook over the garden from the window, this generously sized double bedroom offers an open-fronted built-in wardrobe space that provides hanging and shelf storage, alongside room to accommodate other bedroom furniture items. The room enjoys soft tonal décor and a newly fitted carpet. A timber door with wrought-iron hardware leads to the landing.

BEDROOM TWO 13'1" max x 9'0" max

This second double bedroom sits to the front of the property and has an angled ceiling and beam. To one corner, there is a cupboard which discreetly hides away the property's central heating boiler. The room has been decorated in tasteful neutral shades with a carpet underfoot. There is a side window and a timber door which leads to the stairs.

SHOWER ROOM 7'2" apx x 5'5" apx

Fitted with a modern three-piece white suite, including a double walk-in shower cubicle with mains-fed chrome shower and glazed screen, a pedestal hand wash basin with mixer tap, and a low-level W.C., this shower room is partially tiled with decorative wall and floor tiles. It has an obscure-glazed rear-facing window and a door which leads to the landing.

FRONT & PARKING

To the front of the property, there is a shared courtyard. Beyond the courtyard, there is an allocated parking space.

REAR GARDEN

The rear garden is ideal for keen gardeners, with a long lawn edged with boundary hedges and a patio area which adjoins the property. This outside space offers a tranquil setting to sit and enjoy the outdoors or potter in the fresh air.
