

BEAUFORT GREEN

Ongar Road, SW6

£700,000

Arranged across the lower ground floor, the apartment has a warm, individual feel throughout, with a layout that makes particularly good use of the space. The reception room is notably generous, with plenty of room for both relaxing and dining, while large windows bring good natural light into the room.

Two bedrooms sit towards the middle of the apartment, including a spacious principal bedroom with fitted storage, alongside a second bedroom that works equally well as a guest room, nursery or home office. A bathroom is positioned conveniently between the living and sleeping spaces.

At the rear, the separate kitchen is finished with contemporary cabinetry and provides direct access outside. The private garden is a real extension of the home, with established planting, mature greenery and several areas for seating, giving it a wonderfully tucked-away feel.

Ongar Road is well positioned for the shops, cafés and everyday amenities around Fulham Broadway and North End Road, with West Brompton station close by for Underground and Overground connections across London.
