## Situation

Cathcart is one of the oldest and most event filled areas on the south side of Glasgow. There is evidence of prehistoric settlement, a famous battle, a community of radical weavers and some mansions, before it became fully urbanised.

Langside and its neighbouring suburb of Shawlands provide a broad range of shopping facilities, supermarkets, restaurants, bars and numerous recreational facilities and is near Queen's Park and Newlands Park. Silverburn shopping centre provides an extensive range of shops, restaurants and supermarkets is around a 10 minute drive away. There are several golf courses in the area including Pollok and Haggs Castle Golf Clubs and a selection of local health clubs.

Queen's Park itself is a beautiful Sir Robert Paxton creation which offers something for everyone, from manicured lawns, sport and recreational facilities, boating pond, glasshouse and extensive views across the City towards the Campsie Hills and Ben Lomond.

Pollok Country Park is Glasgow's largest park and the only Country Park within Glasgow. In 2006 Pollok Country Park was named the best park in Britain and in 2008, it was named the Best Park in Europe. Its extensive woodlands and gardens provide a quiet sanctuary for both visitors and wildlife.

The M77 provides commuter to the City Centre, Glasgow Airport and along with the Southern Orbital provides an excellent connection to the Central Scotland motorway network as well as south towards Ayrshire and Prestwick Airport. The area is well served by first class train and bus services to the city centre and to East Kilbride.
