Situation

The historic market town of Devizes with its stunning Georgian architecture features more than 500 listed buildings, from Devizes Castle steeped in history to Wadworth's legendary 1875 brewery. The popular weekly market dates back to 1141 and is fringed with an abundance of popular cafes and independent shops. Residents also have easy access to Stonehenge and Bath, while it's just 25 minutes to Chippenham for fast trains to London. Zephyr Place itself has been thoughtfully designed to support both people and wildlife, with green space and a strong emphasis on enhancing the area's biodiversity. From here, you have the freedom to explore miles of countryside and ancient pathways, including the spectacular Caen Hill Locks - the most impressive flight on the UK's waterways and a designated scheduled Ancient Monument.
