TWO BEDROOM SEMI DETACHED HOUSE - INVERTED CORNER PLOT - AMPLE DRIVEWAY PARKING - SOUGHT AFTER POSTCODE!

Hasland is a popular and well-established residential area, ideally positioned for convenient access to Chesterfield town centre and the surrounding Derbyshire countryside. The area offers a range of local amenities, including shops, schools, cafés and everyday services, while excellent road and public transport links provide easy connections to Chesterfield, Sheffield and the wider region.

The ground floor accommodation comprises an entrance hall leading into the lounge, which provides a comfortable and welcoming reception space. From the lounge, the accommodation continues through to the kitchen, which offers ample worktop space and storage, with access directly out to the rear garden.

The first floor of the property sees two well proportioned double bedrooms both featuring fixed wardrobes with internal LED lighting. Serving the property family bathroom with bath and overhead shower.

One of the property's key features is its inverted corner plot, with the wider section of the plot positioned towards the rear. This creates a generous amount of rear outside space for a property of this type.

To the front and side is an ample driveway, providing excellent off-road parking for multiple vehicles.

The rear garden offers plenty of space for outdoor seating and entertaining. The property further benefits from a garage and a separate garden room with a fixed multi-gym included in the sale, providing useful additional storage and offering excellent flexibility for storage, hobbies, home working or additional recreational space.

Additional features include GCH combi & UPVC Double Glazing.
