Scarfoot

Mealbank, Kendal, LA8 9DJ

Offers In The Region Of £190,000

Scarfoot Cottages is a row of four typical Lakeland cottages, located on a quite rural lane just outside of Kendal and with open views of open countryside. Behind the pretty slate façade you will find accommodation comprising of; living room with open fire, quality fitted kitchen with granite work surfaces, a ground floor cloakroom/utility, and then moving to the second floor there are two double bedrooms with elevated views over a peaceful meadow, and a large bathroom.

The property is ready for someone to move in and make their stamp, having been used as a second home for a number of years. There is double glazing and electric panel heaters, and a great addition is the garden to the rear that rises up a banking, offering long views over the roof-top of the cottages from the top. In addition there is off-road parking for as many as three cars.

Mealbank lies 2.4 miles to the north of Kendal, and it is just an 8 minute drive into the town centre where you will find all the amenities you need. The house is ideally suited to first-time buyers, second home owners, and could be used as a decent rental investment and added to a portfolio (expected rent of £800pcm minimum).

A perfect house for those looking for a quiet retreat and not to far from town.

Living Room

Three steps up to the front door and you enter into the living room, which is spacious with plenty of space for a sofa and chairs and room enough too for a dining table if required. There is a coal fire set in a slate mantle, perfect for cosy evenings. From the living room you can access the kitchen and the stairs rising to the first floor landing.

There is a free standing electric oven and hob with an extractor fan over and a one-and-a-half bowel sink and drainer. The elevations are full tiled in a simple white tile and there are floor tiles to the floor.

Storage

In the kitchen there are two large storage cupboards, either of which can be utilised to stand a tall fridge freezer as well as storing away household items.

Cloakroom/Utility

With a low level WC, kitchen cabinet and work top and undercounter space and plumbing for a washing machine.

First Floor Landing

Accessed from the stairs rising from the living room and providing access to the bedrooms and bathroom.

Bedroom One

A double bedroom with long views from the window to the front elevation.

Bedroom Two

A second double, and with some storage and shelving.

Bathroom

The bathroom comprises of a bath with an electric shower over and glass shower screen, low level WC and pedestal wash-hand basin. The elevations and floor are fully tiled and there is wall-mounted convector heater.

Garden

From the back door, you step out onto a path which provides shared access for the row of cottages, leading to the car parking area. The garden is banked, with a few steps up leading you to a lawn area and then onwards to a well stocked and planted space that winds up the banking. Great views from the top over the roof tops and onto the meadow opposite.

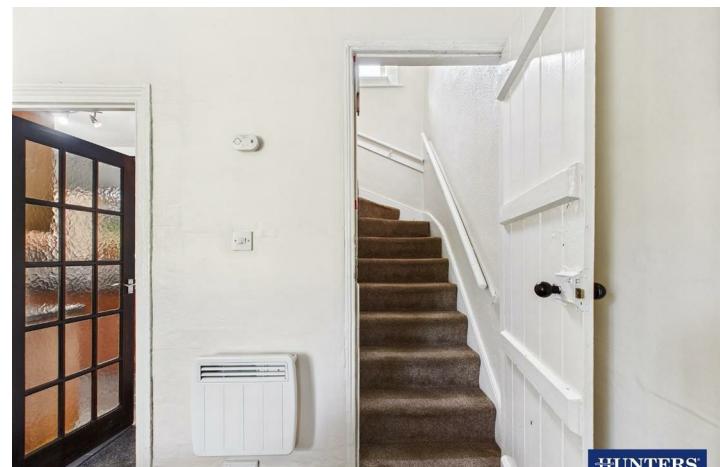

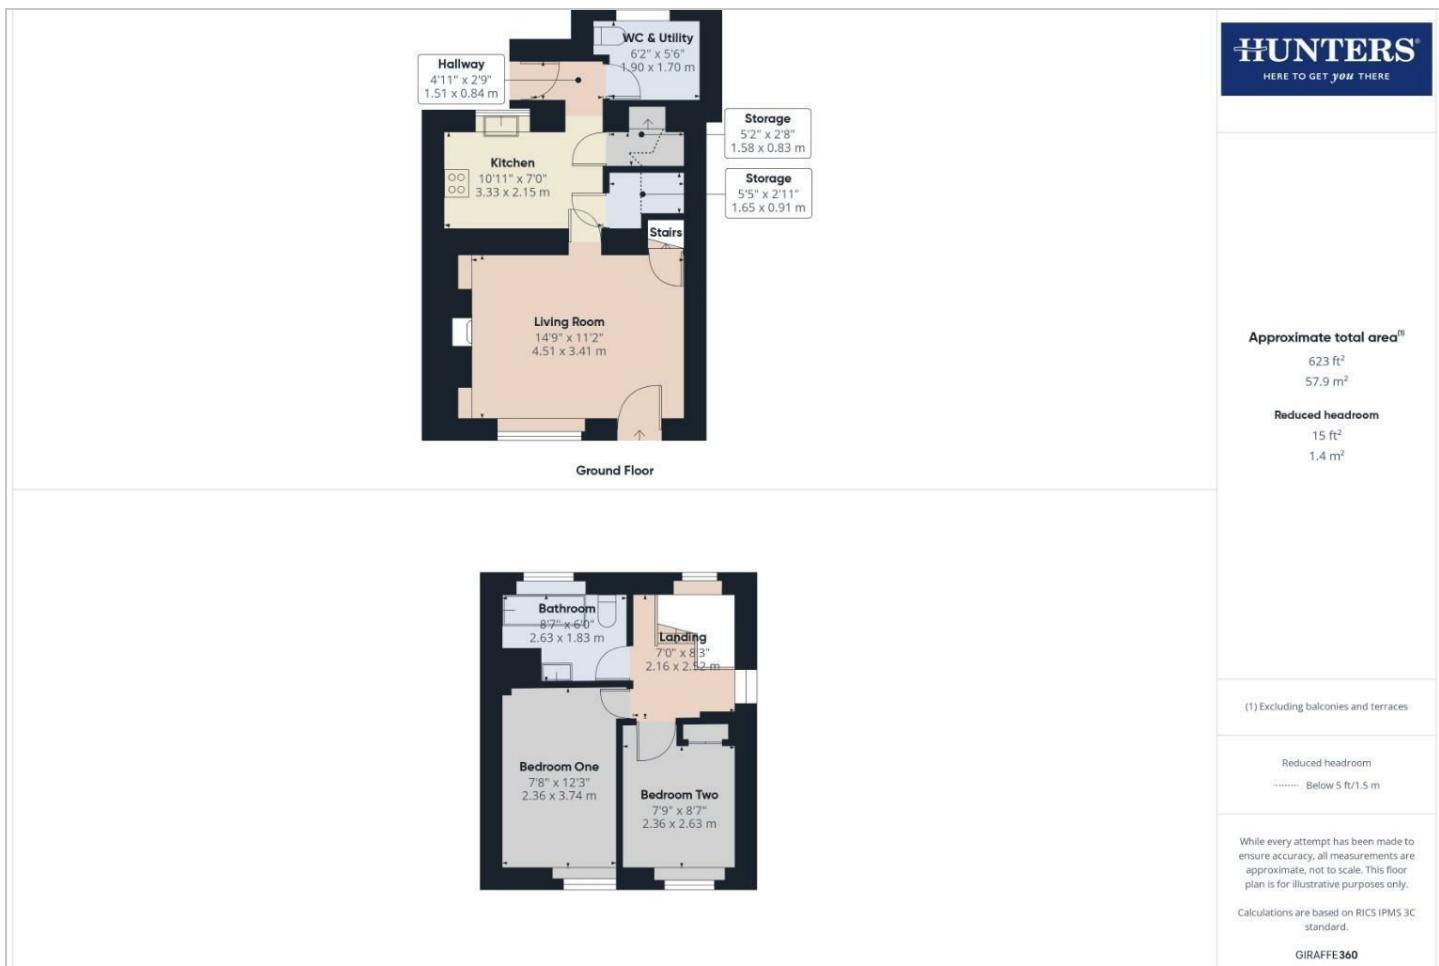

Parking

There is a large space to the side of the cottage at the opposing end of the row, and the residents each have designated parking areas. There is room enough to park two cars for this cottage.
