Lead In
This beautifully presented three-bedroom semi-detached home is situated in the sought-after area of Townville and is offered to the market in modern, move-in-ready condition throughout.

Ideal for first-time buyers, young families or those looking to downsize, the property offers a well-planned layout with modern fixtures and fittings throughout. The ground floor features a comfortable living space alongside a modern kitchen diner, providing a fantastic area for everyday family life and entertaining.

Upstairs are three well-proportioned bedrooms, comprising two double bedrooms and a further single bedroom, together with a modern family bathroom.

Externally, the property benefits from a side driveway providing off-road parking and an enclosed rear garden. A fantastic brick-built garden room/games room provides valuable additional space and could be used for a variety of purposes, including a home office, gym, bar or entertaining space.

Located close to local shops and both primary and secondary schools, the property is also ideally positioned for Castleford and its excellent transport and commuter links, making surrounding towns and cities easily accessible.

Homes within this popular area tend to sell relatively quickly, and with the condition, location and additional outdoor space this property offers, we expect a high level of interest.

External
The property is set back from the road with a lawned front garden and a generous driveway providing ample off-road parking. A useful entrance porch provides access into the home, while double gates to the side lead through towards the rear garden.

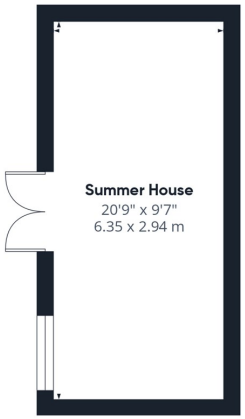

To the rear is a particularly generous and fully enclosed garden, offering an excellent space for families and outdoor entertaining. The garden is predominantly laid with artificial lawn for ease of maintenance, complemented by paved patio areas providing plenty of space for outdoor seating. A substantial detached summer house sits at the foot of the garden, offering versatile additional space, while timber fencing provides a good degree of privacy.
