Description

Stephenson Browne are delighted to introduce this beautifully transformed three-bedroom semi-detached home, occupying a popular position on Halton Drive in Crewe. Having been comprehensively renovated from top to bottom, this impressive property offers a fresh, contemporary interior with the benefit of a brand-new kitchen, bathroom, boiler, flooring and newly plastered walls throughout.

The spacious lounge provides a bright and welcoming setting for both relaxing and entertaining, with generous proportions allowing plenty of space for comfortable furnishings. Freshly renovated throughout, the room offers a modern and inviting atmosphere, making it an ideal central living space for the home.

The newly fitted kitchen is both stylish and functional, providing a superb setting for everyday cooking and dining. Attention then turns upstairs, where three well-proportioned bedrooms provide excellent flexibility. A particular highlight is the second bedroom, which benefits from its own private en-suite shower room — an excellent feature for guests or family members seeking additional privacy. A further newly fitted family bathroom completes the first floor.

The extensive refurbishment means the property is ready to enjoy from day one, with no immediate updating required. From the new flooring and fresh plasterwork to the newly installed boiler and contemporary kitchen and bathrooms, considerable work has been undertaken to create a home that combines style with practicality.

Outside, the property benefits from a pleasant garden and off-road parking, providing valuable external space to complement the generous accommodation.

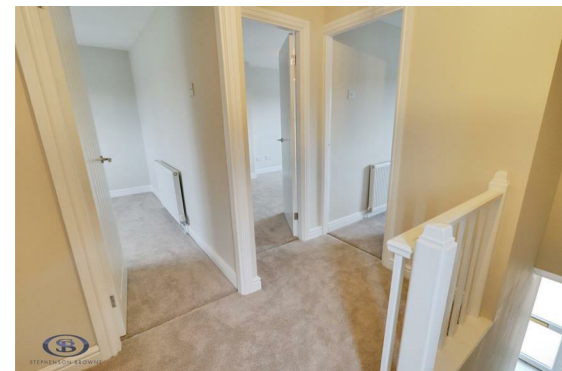

Halton Drive is conveniently positioned for local amenities, schools and transport links, with easy access to Bentley Motors, Leighton Hospital and Crewe town centre. Fully renovated throughout, this turnkey three-bedroom home benefits from an en-suite, two contemporary bathrooms and excellent living space.
