Introducing The Courts

Phase 1 at The Courts comprises a limited release of stunning four bedroom homes, each offering approximately 1,450 sq. ft. of thoughtfully designed accommodation.

Built by award winning developer P.I.C. Homes in partnership with Trafford Developments, the homes combine generous proportions with an impressive specification and excellent energy efficiency.

Upon entering, you are greeted by a spacious hallway with a useful storage cupboard and a fully tiled WC. The dining kitchen forms the heart of the ground floor, featuring quartz worktops, Neff appliances, a Quooker boiling water tap and LED coving. There is also a spacious living room with a built in media wall and access to the rear garden.

The bedrooms are arranged over two floors, with the principal bedroom benefiting from an ensuite bathroom finished with brushed fittings, feature LED lighting and porcelain tiling from floor to ceiling. There are three further bedrooms, an additional bathroom and a large landing with storage and a useful area for home working, enjoying ample natural light from the large windows.
