Full Description

A well-presented two-bedroom, mid terraced home tucked away in a particularly attractive position within North Holmwood, enjoying a leafy outlook and easy access to surrounding woodland and open spaces. The property offers bright, well-proportioned accommodation, a private rear garden with a covered entertaining area and the added benefit of a single garage, making this an excellent home for first-time buyers, young families or those looking to downsize.

The accommodation begins with an entrance porch opening into a spacious and light-filled living/dining room. This sociable room provides plenty of space for both comfortable seating and a dining table, with a large front window allowing an abundance of natural light and a dedicated space for meals. To the rear is the kitchen, fitted with a good range of wooden base and eye-level units together with ample worktop space and room for a selection of freestanding and integrated appliances. There is also additional space for laundry appliances, while a door provides direct access to the garden.

Upstairs, the principal bedroom is a particularly generous double with built-in wardrobes and two windows, creating a wonderfully light and airy space. The second bedroom is also well proportioned and enjoys an attractive outlook towards the surrounding greenery. Completing the first floor is the updated family bathroom, fitted with a modern white suite with a shower over the bath.

Outside, the private rear garden has been thoughtfully arranged for both relaxing and entertaining. Immediately adjoining the house is a fantastic covered decked area, creating an ideal space for outdoor dining and entertaining throughout much of the year. Beyond this is a level lawn bordered by mature planting, with a further paved seating area at the end of the garden. A further significant benefit is the property's single garage, located within a nearby block as off-street parking for residents.

Location

The setting is a real feature of the home. Aerial views show just how wonderfully green the surroundings are, with the property positioned close to woodland, ponds and open spaces.
