DESCRIPTION

No. 6 Thornham Road comprises a superb two bedroom detached home, pleasantly positioned on the St Giles development in Cringleford. The property was acquired in 2021 with the current owners carrying out a delightful range of improvements, particularly in the gardens which have been landscaped and enjoy a peaceful setting with a number of excellent seating areas. The whole is being offered to market for the first time since being built and will be of interest to buyers keen on establishing themselves on a highly sought-after development with the added bonus of the house and gardens being dramatically improved.

The accommodation is well-arranged and being detached, and a two bedroom house these are a rare find across the estate. The property is approached at the front into a spacious entrance hall with a clever storage arrangement under the stairs and access is enjoyed to the sitting room, cloakroom and kitchen.

The sitting room is a super, light space and provides access into the gardens. The kitchen itself has had major improvements with the rearrangement of base units to incorporate a larger surface area with natural stone worktops, together with tiling modernisations and again, there is access via French doors here onto the terrace. On the first floor there are two double bedrooms, with an en-suite to the principal bedroom and there is a family bathroom off the landing.

A major feature of this property are the gardens, which are an absolute triumph and beautifully established providing no.6 with a great deal of privacy from neighbours. The pergola is a key feature, of hardwood construction providing the terrace with cover across any season and is positioned just off the kitchen area. There are various seating areas, as well as a glass greenhouse and large shed naturally providing the necessary storage required for a garden of this size. At the front there is allocated parking for two cars, and the plot is larger than most across the development.
