PROPERTY SUMMARY

On entering the property, the hallway leads through into the spacious living room, which in turn leads into the dining room. From here, there is access into a useful study/play room with doors opening directly onto the rear garden. The kitchen sits adjacent to the dining room and is well presented, offering plenty of storage and a side door providing access to the garden. An inner hallway provides access to the downstairs cloakroom, along with a door leading into the garage from inside the property.

Upstairs, there are three good sized double bedrooms, two of which benefit from built in wardrobes, along with a further good sized single bedroom. The family bathroom is also located on this floor, together with loft access and an airing cupboard housing the gas boiler.

Outside, the property benefits from driveway parking leading to an integral garage with power and lighting. The garage also offers potential for conversion, subject to the necessary permissions and regulations. To the rear is a well presented, mature garden with a patio area, lawn and established planting, providing a pleasant and private outdoor space.
