The coastal resort of Bude is 16 miles to the north, with extensive sandy beaches, its famous sea pool and cliff-land walks.

DESCRIPTION The current vendors are only the third owners of the property's 200 year history, as it was originally the quarrymaster's home for the adjoining Werrington Estate, and has been constructed of beautiful local stone under a slate roof with numerous character features.

The accommodation is clearly illustrated on the floorplan and briefly comprises: a beautiful wrap-around veranda with skylights and slate-flagged floors, providing cover to sit and enjoy views over the surrounding area. A part glazed door opens into the attractive dual aspect lounge with sash windows and a feature fireplace housing a wood burner set on a slate hearth and oak stairs to the first floor.

The farmhouse-style kitchen/dining room has impressive slate-flagged floors, exposed stone fireplace with a brick arch, and a range of base and wall units with oak worktops, and bespoke

twisted oak handles and matching island unit. Integral dishwasher, space for a range cooker and an upright fridge/freezer, walk-in under stairs pantry cupboard. Glazed door to rear porch/boot room with base-level oil-fired boiler for central heating and hot water and further glazed door opening to rear garden.

The first-floor landing offers a picture window to the front aspect, with views over the Werrington Estate land. Access to loft space. Bedroom 1 is a spacious double aspect room with uPVC sash windows, inset cupboard, exposed wood floors and door into dressing room/nursery. Bedroom 2 is also double aspect with views over the garden and surrounding farmland.

The family bathroom comprises a suite of a panel enclosed bath with mixer taps, shower

over and glass shower screen, low flush WC and pedestal wash hand basin. uPVC sash window to rear aspect, part-panelled and tiled walls. The bathroom would benefit from some cosmetic improvement.

OUTSIDE The property is accessed from the road via a pair of offset stone pillars leading to the driveway providing parking for several vehicles, with turning area and access to the detached garage with metal up-and over door.

The gardens wrap around the property and are laid mainly to lawn with beautiful stone walls, slate paving, and a mixture of mature flower beds and specimen trees providing colour and interest throughout the year.

Attached to the property is a gardener's toilet with low-flush WC and adjoining tool store. Detached block-built utility room with power, light and plumbing for a washing machine and tumble dryer. Further stone shed/workshop.
