Beautifully combining character, space and modern-day comfort, the main house has been thoughtfully extended while retaining an abundance of original features. The accommodation begins with two welcoming reception rooms. The formal dining room provides an elegant setting for entertaining, with plenty of space for a large dining table, while the separate lounge creates a warm and inviting retreat centred around a characterful stone fireplace housing a multi-fuel stove. Beneath the stairs, steps descend to a traditional cellar, offering excellent storage and previously used as a wine cellar.

The beautifully refitted kitchen diner is one of the many highlights of the home. Fitted with an extensive range of stylish units, generous worktop space and a central peninsula, the kitchen also benefits from a selection of integrated appliances. Patterned flooring, exposed ceiling beams and a painted stone feature wall bring plenty of personality to the room, while the dedicated dining area makes this a wonderfully sociable space for everyday family life and entertaining.

A separate utility room provides further storage and space for appliances, with an adjoining ground-floor WC adding to the practicality of the accommodation.

To the rear of the house is the outstanding games and family room. Measuring approximately 23'4" x 16'6", this impressive and highly versatile reception space features an exposed stone wall and French doors opening directly onto the garden. Whether used as a games room, cinema room, entertaining space or substantial additional lounge, it is perfectly suited to modern family life.

The first floor is arranged across a series of characterful landings and provides five well-proportioned bedrooms. The principal bedroom is a superb retreat, beautifully presented and enhanced by a newly created walk-in wardrobe and a recently refurbished en-suite bathroom. Generously proportioned and finished in a striking contemporary style, the en-suite features a large freestanding bath, separate walk-in shower, vanity wash hand basin and WC.

Bedroom two is a generous double room, while bedroom three provides further flexible accommodation suitable for use as a bedroom, home office or study. A traditionally styled family bathroom serves this section of the house and features a freestanding roll-top bath with attractive period-style fittings.

Bedrooms four and five occupy the extended section of the property and share a well-appointed Jack and Jill shower room, making them ideal for children, teenagers or visiting guests.
