KILN MEADOWS

Numbers 1 and 2 Kiln Meadows were constructed c. 2002 with Number 3, together with Numbers 4 and 5, now rapidly approaching completion to allow a future owner to move directly into these superb, detached, brand new houses, set to the rear of this small cul-de-sac of just five properties in total.

Set back from the roadside, Number 3 (4 and 5) enjoy a quiet position with no passing traffic. However, a short walk down the hill or through Meneth, leads to the centre of this village whose day-to-day amenities include a public house, general stores and very popular boatyard cafe - ideal for those wishing to explore the beautiful, sheltered sailing waters of the Helford river with its tree-lined creeks.

THE PROPERTY

Number 3 Kiln Meadows is scheduled for completion in September/October 2026 and will be offered for sale with the benefit of a Professional Consultants Certificate. Clean lines are complemented with granite relief, an oak porch and pitched roof of natural slate with inset solar panelling. High levels of insulation are complemented by double glazing and economic Air Source heating - under-floor to the ground floor rooms and with radiators to the first floor.

Engineered oak flooring is fitted throughout the ground floor where there is a wide, welcoming reception hall with large storage cupboard, turning staircase to the first floor and access to the useful ground floor cloakroom/WC. A well proportioned double aspect lounge has double doors opening onto broad decking at the rear of the property which also features in the double aspect kitchen/dining room which, again, is the full depth of the house. A useful utility room can, alternatively, be utilised as a study, with the attached garage, with internal courtesy door, sufficiently large enough for the installation of a utility area to the rear if preferred.

Upstairs, carpeting will be fitted together with tiling to the bathrooms; all four bedrooms feature fitted wardrobes, with the superb, double aspect, principal bedroom suite including a private shower room, dressing area and double doors onto a large sun terrace which, together with many of the rooms, enjoys an attractive, elevated outlook over the outskirts of the village to surrounding countryside.

A broad private driveway provides space for two/three vehicles in addition to the garage; surrounding gardens are of a good size, are well enclosed, level and include decked terracing to the rear.
