The ground floor layout is anchored by an impressive entrance hallway leading to multiple functional areas: a welcoming lounge featuring an electric stove, a dedicated office/snug for quiet work or relaxation, and a spacious kitchen with dining area. Practicality is enhanced by a separate utility room and a cloaks/W.C. The first floor hosts four well-proportioned double bedrooms, all thoughtfully appointed with fitted wardrobes, ensuring excellent storage. This level is served by both a main family bathroom and a private en-suite bathroom.

Externally, the property provides substantial off-street parking on the private driveway, alongside an attached double garage to the front. The rear garden is private, featuring a paved area immediately adjacent to the house, followed by a good-sized lawn with mature hedging to the border.
