A standout opportunity to purchase a beautifully maintained end terrace home, offered to the market with no onward chain, freehold tenure and a rare amount of off-road parking.

Set on Crumpsall Road, this is the kind of property that immediately feels different from the usual terrace. From the front, there is a generous parking area providing space for multiple vehicles, while the end plot position gives the home a more open feel than many neighbouring properties.

Inside, the accommodation is bright, welcoming and well laid out. The living room is a lovely, comfortable space with a feature fireplace, fitted storage and a stylish finish, creating a proper homely feel from the moment you walk in. To the rear, the kitchen/diner provides a great everyday space, with a modern fitted kitchen, room for dining and access through to a useful utility room.

Upstairs, there are two well-proportioned bedrooms and a bathroom, making the property ideal for first-time buyers, downsizers or anyone looking for a home that offers more space and practicality than first expected.

The rear garden is a real highlight. Beautifully cared for and thoughtfully arranged, it offers a low-maintenance artificial lawn, patio seating areas, raised planted borders and a great mix of colour and greenery. It is a fantastic outdoor space for relaxing, entertaining or enjoying the warmer months without the upkeep of a traditional lawn.

With no chain, freehold tenure, excellent parking and a garden that genuinely sets it apart, this is a brilliant home that should attract strong interest.
