The living space flows through to a high-specification open plan kitchen and dining area, designed for modern living and entertaining. The kitchen is fitted with granite worktops, premium integrated appliances, and a sleek extractor built into the ceiling, giving the space a clean contemporary finish. From the kitchen there is access to a practical utility room and the integral garage, which benefits from an electric door and newly installed window and door leading out to the rear patio. As part of the full renovation, all flooring and decoration throughout the ground floor have been newly installed, along with a replacement gas combination boiler and new radiators.

Upstairs the property offers three well-proportioned bedrooms, each finished with fresh modern décor and new flooring, creating bright and comfortable spaces suitable for family living, guests, or home working. Bedrooms 1 & 2 both have fitted wardrobes. The layout of upstairs has been carefully designed to maximise the available space while maintaining a light and airy feel throughout the upper level. Serving the bedrooms is a contemporary bathroom finished to a high specification with stylish fittings and a modern suite, providing both comfort and practicality. As with the rest of the home, the first floor has also been fully upgraded, including new plumbing, flooring and decoration, ensuring a consistent standard of quality and a move-in ready finish. The property has also had replacement fascias, gutters, windows and doors throughout.

Externally the property has also been significantly improved. To the front there is a newly installed driveway providing off-road parking for two vehicles. To the rear is an attractively landscaped multi-level garden designed to be both practical and low maintenance. A patio area sits directly behind the property and offers an ideal space for outdoor seating and entertaining, while the remaining garden features gravelled sections and planted shrubbery that add structure and visual interest.
