PROPERTY DESCRIPTION

Millerson Estate Agents are delighted to introduce to the market this beautifully presented three-bedroom terraced home, ideally positioned within this extremely popular residential location, just a short walk from the heart of St Austell town, making an excellent choice for first-time buyers, young families or those looking for a well-maintained home within easy reach of the town.

The bright entrance hallway provides access to the principal ground floor rooms and sets the tone for the well-presented accommodation beyond. The modern kitchen offers a practical and sociable space, fitted with a good range of wall and base storage cupboards and drawers, providing plenty of room for everyday essentials. There is also space to create a comfortable dining area, making this a versatile room for both busy mornings and relaxed mealtimes.

The generously proportioned lounge/diner provides an inviting space in which to unwind, with the double doors opening directly onto the enclosed rear garden. This creates a lovely sense of flow between the living accommodation and outside space, while also allowing plenty of natural light into the room. The ground floor is completed by a useful cloakroom, adding an extra level of convenience for everyday living.

To the first floor are three well-proportioned bedrooms, providing excellent flexibility for a range of buyers. The principal bedroom benefits from its own en-suite shower room, offering a degree of privacy and convenience, while the remaining bedrooms are served by the well-appointed family bathroom. Whether used as children's bedrooms, guest accommodation, a home office or simply additional living space, the layout provides plenty of scope to suit individual requirements.

One of the property's particular highlights is the enclosed tiered rear garden, which has been thoughtfully arranged to provide several distinct areas for entertaining and relaxing. The lower level has been paved and offers an ideal setting for barbecues, outdoor dining or simply enjoying a morning coffee in the fresh air. Moving upwards, the next tier has been laid with artificial grass, creating an attractive, low-maintenance area that can be enjoyed throughout the year without the upkeep associated with a traditional lawn. The upper tier is decked and provides a wonderful elevated seating area, making it the perfect spot for an evening soiree or for unwinding at the end of the day. The enclosed nature of the garden also provides a good degree of privacy and makes the space both versatile and enjoyable.

Further benefits include an allocated off-road parking space, with an abundance of additional on-street parking available close by. The property is connected to mains water, gas, electricity and drainage and falls within Council Tax Band C.
