Graeme Lumsden, Director/Valuer of BLACK HAY Estate Agents comments...

" The demand for seafront homes remains as strong as ever, they retain the prestige of prime position and rarity.

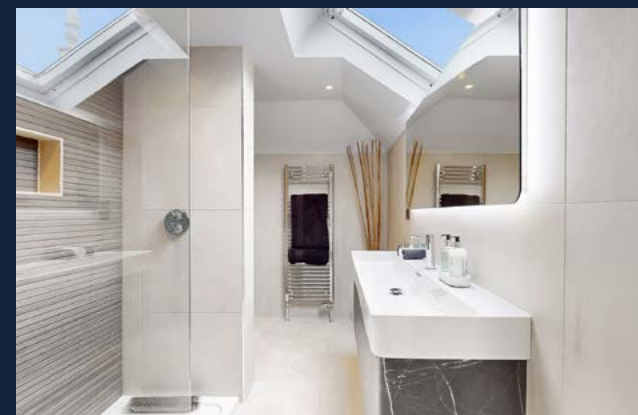

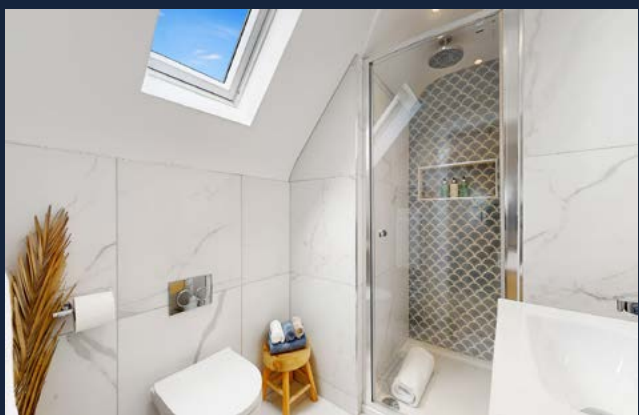

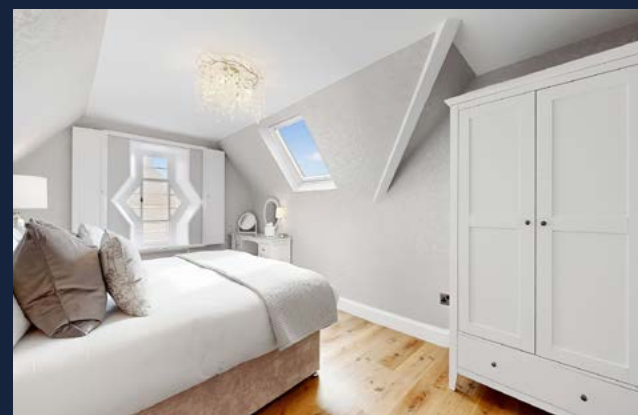

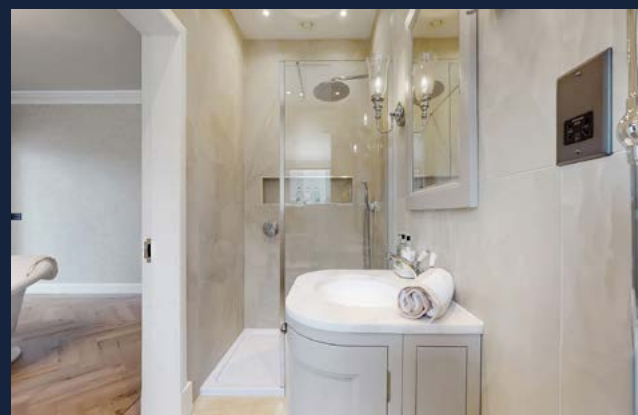

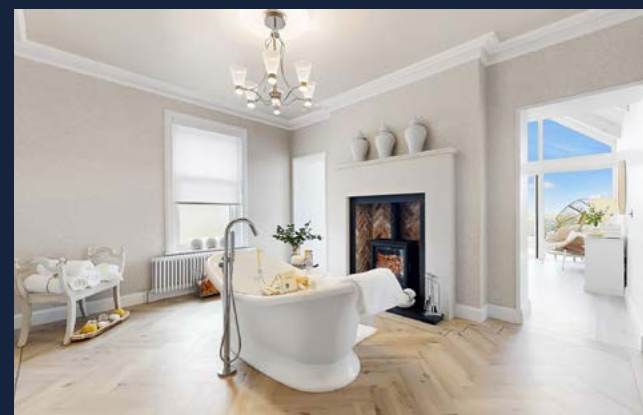

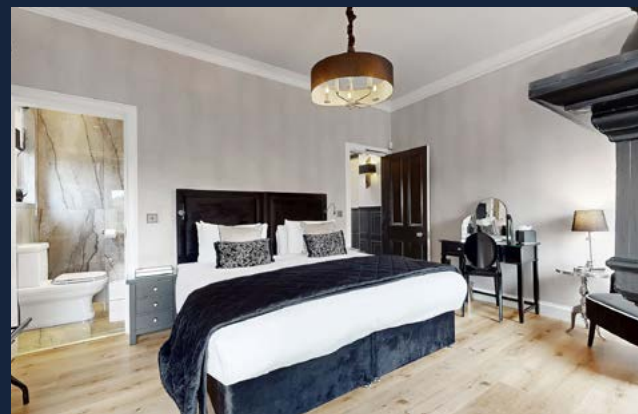

Firbrae is a unique opportunity ...a historic tudor-gothic home, a unique home, a truly luxurious home, a substantial home which has undergone a transformation from historic shell to a spectacular home which can adapt for extended family use or entertaining friends & family, a fabulous seafront home with panoramic views.

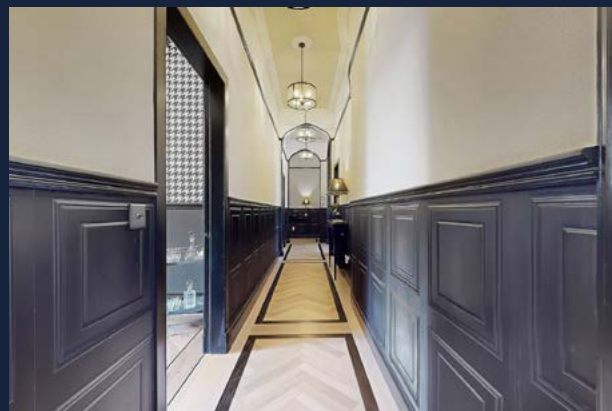

Today ...it would simply be impossible to build Firbrae at this price level in this location ...the successful purchaser will be able to relax from Day 1 as all the hard work is done, the only thing left to do ...is to enjoy this spectacular home! "
