THE LOCATION

Gyllyngdune Manor occupies one of the most sought after, valuable and uplifting residential positions to be found anywhere in Falmouth, set back from the seafront, overlooking the established gardens and grounds and out to sea, with glorious southerly views across Falmouth Bay to the infamous Manacles reef. Its location is superb, on the town's seafront and southern side, with Castle beach right ahead, Pendennis Castle and Point to the East and a few moments' walk to Gyllyngvase beach and café, along the coastal path to Swanpool and Maenporth beaches and beyond to the Helford River.

This location is also remarkably convenient to the town and harbourside where there is an excellent and diverse selection of restaurants and an eclectic mixture of individual shops as well as national chains, together with quality galleries showcasing local talent. Nearby train stations (Falmouth Town and Penmere Halt) provide a convenient link to the mainline at Truro for Exeter and London, Paddington. Falmouth Docks are a major contributor to the town's economy and along with Falmouth University (with campuses in Falmouth and Penryn) and Falmouth Marine School, specialising in traditional and modern boat building, marine engineering and environmental science, ensure an all year-round vibrant community. There are five primary schools and one secondary school in the town and in Penryn as well as highly regarded independent preparatory and senior schools in Truro.

Falmouth boasts the third deepest natural harbour in the world and is renowned for its maritime facilities which offer some of the best boating and sailing opportunities in the country. Falmouth is consistently ranked as one of the top five places to live in the UK.
