SITUATION

Goring-on-Thames lies serenely in the beautiful Thames Valley, set between the Chiltern Hills in Oxfordshire and the Berkshire Downlands opposite above the village of Streatley. The area is known geographically as the 'Goring Gap' and is designated an 'Area of Outstanding Natural Beauty'. In 2009, Goring was awarded the prestigious 'Oxfordshire Village of the Year' and also the 'Britain in Bloom' competition several times including 2022. Local amenities include a super primary school, an excellent range of interesting shops and restaurants, together with a riverside café, a gastropub with rooms, a lovely traditional pub, a full NHS practice, veterinary practice, dentist and library. The village hosts numerous popular and well attended annual events.

Importantly, a mainline railway station provides fast commuter services to London Paddington in 45 minutes. The central village 'Conservation Area' has a wealth of architecturally interesting properties, many listed and dating from around the 16th Century. Historically, Goring-on-Thames traces back to Saxon times. Streatley-on-Thames, on the Berkshire side of the river, is another picturesque village surrounded by hills and woodlands, now mainly owned by the National Trust. Fronting onto the river by the bridge crossing over to Goring-on-Thames is The Swan at Streatley, a luxury 4-star riverside hotel with adjoining Coppa Club, riverside Lobster Bar and gym.

The area is also extremely well served by an excellent range of state and private schooling, which includes not only the ever popular Goring-on-Thames Primary School and Langtree Secondary School in Woodcote, but also Cranford School, Moulsoford Preparatory School, The Oratory Preparatory & The Oratory School, St Andrews Preparatory School, Pangbourne College, Brockhurst & Marlston House, Downe House, Rupert House School, Shiplake College, The Abbey School, Bradfield College, The Manor Preparatory School, Abingdon School, Abingdon Preparatory School, Radley College and St Helen & St Katharine.

Elizabeth Line services commenced from Reading in 2022, which together with the completed electrification of the GWR line, has significantly improved travelling times to central London and the City, Heathrow and as far east as Essex.

The Birches is a development of 'mews' style properties arranged in staggered terraces around private lightly timbered greens, situated between Cleeve Road and Thames Road just a short distance from the central village High Street and river. Built in the late 1970's to an award winning design the properties are traditionally constructed having appealing brick elevations under clay tiled roofs with internal walls dry lined for additional insulation and economy.

PROPERTY DESCRIPTION

8 The Birches is a modern end of terrace house, overlooking a lovely grassed communal Green. Entrance is into the hallway with staircase and cloakroom. Original Parquet flooring runs from the hallway into the living and dining room. The kitchen is a modern cream shaker style with tiled flooring. A door then leads into the conservatory which overlooks the terraced garden offering a wonderful peaceful and private outlook.

Upstairs there are 3 bedrooms, 2 singles and 1 double room, all with built in wardrobes. The airing cupboard is on the landing and is where the combi boiler is located. The bathroom is a white suite with bath and separate corner shower.

OUTSIDE

The property has an attractive position overlooking the central green of this popular residential development with a number of trees providing interest and a change of colours through the seasons. A wide footpath extends across the front of the property leading to the front entrance flanked on one side by an area of mature shrubs.

The private part walled garden at the rear is South East facing and has much mature planting and trees. It has been landscaped with large flagstones gently sloping up to the back. Several seating areas allow for an "al fresco" dining and entertaining opportunity to sit and enjoy within its surroundings. At the far end of the garden is a large timber Store Shed and fenced bin store. A pedestrian gate then leads to the communal parking at the back and garaging. There is a single garage belonging to the property found on the left hand side, 4th one along.
