If you are looking for a house which offers something a little different, then let us impress you with this well presented, older style two bedroom detached house which is set in the centre of this sought after village of Treverra, just four miles from Falmouth, that sits alongside fields and enjoys delightful views over the surrounding countryside to Argal Reservoir, the dam and beyond.

The house comes to the market for the first time in 7 years with a clear Mundic Block Test (2017), no onward chain and still plenty of further potential for extension (subject to the necessary planning permission and building regulations approval). It is worth mentioning the property had planning for a first-floor extension to provide another bedroom.

The property is packed with features including oil-fired central heating by radiators, UPVC double glazed windows, doors and a porch, a comprehensively fitted kitchen in high gloss white with wrap around granite work surfaces and built-in appliances, engineered oak flooring to the kitchen and dining room, a focal point fireplace (for show only), recent internal re-decoration and quality fitted carpets throughout the rest of the property. The house had new ceilings and lighting installed by our client when the house was bought in 2017.

The well-proportioned accommodation includes on the ground floor, a double glazed entrance porch, archway to reception hall, L-shaped dual aspect sitting room overlooking the front and rear gardens towards the countryside, south facing dining room with patio doors, fitted kitchen, study (was originally a cloakroom/wc and could be reinstated), boiler room and a utility room. A staircase from the reception hall leads to the first-floor landing where you will find two double bedrooms and a family bathroom/wc in white. The house is approached over a painted five-bar gate into a long tandem tarmacadam driveway with parking for four vehicles and this leads to an oversized garage. The gardens at the front of the property are south facing, well stocked and enjoy plenty of privacy with two patios either side of the reception rooms. At the rear of the house there is a terraced slate tiled patio and long lawned gardens with well stocked flowerbeds to one side and these abut fields.

This fine property is being sold with 'no onward chain'.
