Spanning an impressive 2341 Sq. ft, the current owners have tastefully modernised & extended the property throughout in their time of ownership allowing accommodation for even the largest of families. Spaciously arranged over three floors, the accommodation comprises an impressive entrance hall offering access to all parts of the ground floor such as the living room, study, utility room, guest cloakroom and the elegant kitchen/diner with a striking vaulted glass roof with views over the mature rear garden. Of particular note is the unique laundry chute located in the utility room which leads down from the first floor family bathroom.

Moving onto the upper levels, the first floor holds four generous-sized double bedrooms, two with en-suite shower rooms, accompanied by a family bathroom which has recently been fully refurbished to an exceptional standard to furnish both bedrooms three & four. The hidden gem in our opinion is positioned on the second floor offering a master suite with dual aspect, allowing an abundance of natural light flowing through the bedroom, separate bespoke fitted dressing areas for him/her, and en-suite bathroom with separate shower, double basins and extra large bath.

The south-facing rear garden is a perfect sun trap, thoughtfully landscaped with an initial large paved terrace, flower beds, mixed trees, hedging, central lawn and children's play area & summer house. Externally, the property is discreetly shielded by a mature wooded verge. The block paved driveway provides off road parking for up to three vehicles.

Coppice Row occupies a much sought after position in the ever popular village of Theydon Bois. The village is arranged around the green, complete with duck pond, and offers a parade of shops, several pubs and restaurants and easy access into Epping Forest. The property is situated in a quiet location, yet is close to the village centre and the station.
