Birmingham Road

Warwick, CV35 7DX

Price guide €750,000

A four-bedroom detached house of approximately 1,843 sq ft, remodelled and extended in 2010 to create a single-storey rear extension housing an open-plan kitchen, dining and living space of over 39ft in length, with slate flooring, underfloor heating, and full-width glazing onto the garden.

A separate sitting room has an open fireplace with a wrought iron surround and tiled hearth, and a ground-floor study offers a self-contained space for working from home. Four bedrooms on the first floor are served by a four-piece family bathroom, and a detached, teak-clad garden room — with its own shower room and underfloor heating — provides flexible space as a studio, gym, or fifth bedroom, separate from the main house.

The rear garden faces south and is arranged over a series of levels: a full-width slate patio immediately behind the house, a gravelled seating area bordered by raised planters, and a lawned area with a section of raised artificial lawn and timber decking to one side.

Birmingham Road sits within Warwick, with Warwick Parkway station less than a ten-minute walk away, offering direct services to London Marylebone in just over an hour. The A46 and M40/M42 network is within easy reach, with Birmingham city centre and Birmingham Airport both approximately twenty to twenty-five minutes away by car. The area is well served by excellent nearby schools.
