Everything Dorchester has to offer is quite literally on the doorstep. An excellent selection of independent shops, cafés, restaurants and leisure facilities can all be reached within a short level stroll, while Dorchester South railway station provides direct services to London Waterloo, making this an ideal base for commuters and those seeking excellent connectivity.

The current vendor is already suited, helping to support a straightforward onward move, and early viewing is highly recommended to fully appreciate both the exceptional location and investment appeal.

A secure communal entrance with intercom access leads into the building, with stairs rising to the second floor. Once inside, the welcoming entrance hall provides access to all principal rooms.

The light-filled open plan living/dining room enjoys a pleasant south-facing aspect, allowing natural light to pour in throughout the day. The attractive wood-effect flooring creates a contemporary finish, while the layout offers a comfortable space for both everyday living and entertaining, flowing naturally into the adjoining kitchen.

The kitchen is fitted with a range of wall and base units, providing ample worktop space for food preparation, together with plumbing for a washing machine.

The generous double bedroom offers plenty of space for freestanding furniture and creates a relaxing retreat at the end of the day. The bathroom is fitted with a panel-enclosed bath with shower over, wash hand basin, WC and extractor fan.

Outside, the property benefits from its own allocated parking space—an increasingly valuable asset for such a central town centre location.

Whether you're searching for your first home, a low-maintenance lock-up-and-leave, or an investment capable of delivering strong rental returns exceeding 7% gross, this superbly located apartment offers an exceptional opportunity in one of Dorset's most sought-after county towns.
