

**Charming Family Home on Picturesque Pilot Street**

**King's Lynn**

**£325,000**

**Bedrooms:** 4 | **Bathrooms:** 2 | **Receptions:** 2

Set along one of King's Lynn's most historic and picturesque streets, this distinguished four-bedroom terraced residence offers a rare chance to become part of the town's rich and enduring story. With the town centre just moments from your door, the setting is as convenient as it is captivating, further enhanced by charming views of a charming nearby church and easy links to the train station and local amenities.

From the very first glance, the home exudes timeless elegance. Inside, a wealth of period features unfolds, from soaring ceilings to tall sash-style windows that bathe each room in natural light. Characterful fireplaces provide beautiful focal points, evoking a sense of warmth and heritage that runs throughout.

The journey begins in a welcoming tiled entrance hall, an inviting space that hints at the charm beyond. To the left, the living room offers a refined yet comfortable retreat, perfect for quiet evenings or entertaining guests. Beyond, the dining room is a particularly special space, rich in character and atmosphere, where gatherings feel both intimate and memorable. From here, the home flows naturally into the kitchen, accompanied by a pantry, a potential versatile utility space, and a well-appointed ground floor shower room, all designed to support modern living while respecting the home's historic character.

A door tucked beneath the stairs reveals practical storage and leads through to an exceptional 28ft garage, an uncommon and valuable feature in such a central location. Whether retained as secure parking, a workshop, or reimaged entirely (subject to the necessary permissions), this space offers exciting possibilities.

Upstairs, the sense of light and proportion continues. Three generous double bedrooms provide elegant and restful accommodation, while a fourth, smaller room lends itself perfectly as a nursery, study, or dressing room. The family bathroom serves this level, complemented by a beautiful landing space where natural light pours in, creating a calm and airy atmosphere.

Outside, the property offers a secure courtyard garden, an ideal spot for morning coffee or evening relaxation, alongside a handy brick-built outbuilding that adds further flexibility.

Altogether, this is more than just a home; it is a piece of King's Lynn's heritage, thoughtfully offering space, character, and an enviable lifestyle in one of its most treasured settings.
