## Description

Available with No Onward Chain. Conveniently situated within a short walk of Glastonbury High Street, local schools and amenities, this beautifully presented Victorian townhouse offers spacious accommodation arranged over three floors. Combining period character with stylish modern improvements, the property benefits from four bedrooms, two bathrooms, a delightful and practical garden studio plus a garage, creating a highly versatile home ideally suited to modern family living.

An entrance vestibule opens into a welcoming reception hall where stairs rise to the first floor and attractive glazed wooden doors lead to the principal accommodation. The sitting room enjoys a bay window to the front and centres around an attractive open fireplace, whilst the dining room retains much of its original character with built in cupboards and display cabinets flanking the former fireplace. Beyond, the garden room provides an excellent additional reception space with ample room for family dining and patio doors opening onto the rear terrace. The kitchen has been thoughtfully updated with a comprehensive range of wall, base and drawer units, offering space for a range cooker and further appliances, whilst a separate utility room provides additional storage and laundry facilities. Completing the ground floor is a contemporary shower room fitted with a large fully tiled enclosure and mains fed shower.

The first floor offers three bedrooms and a beautifully appointed family bathroom featuring a freestanding bath, twin wash hand basins and WC. Bedrooms three and four enjoy attractive views across neighbouring rooftops towards St John's Church, whilst bedroom two overlooks the rear garden and benefits from fitted wardrobes and a feature cast iron fireplace. Occupying the entire second floor, the principal bedroom provides an impressive retreat with exposed wooden flooring, extensive built in storage and wonderful rooftop views towards the Mendip Hills. An en suite shower room completes this impressive suite.

## Location

The property is conveniently located within a short walk of the High Street with its good range of shops, banks, supermarkets, restaurants, cafes, health centres and public houses. The historic town of Glastonbury is famous for its Tor and Abbey Ruins and lies some 6 miles south of the Cathedral City of Wells. Street is 2 miles and offers a more comprehensive range of facilities including Strode Theatre, Strode College, both indoor and open air swimming pools and Clarks Village with its shopping outlets. Access to the M5 motorway can be gained at Junction 23 (Dunball) whilst Bristol, Bath, Taunton and Yeovil are all within an hours commuting distance.

The rear garden has been thoughtfully designed to create a series of attractive outdoor spaces. A secluded terrace leads directly from the garden room before opening onto a recently laid patio that enjoys the afternoon and evening sunshine. Beyond a timber pergola lies a more formal garden enclosed by mature planting, creating a wonderful sense of privacy and colour throughout the seasons. At the foot of the garden is a purpose built studio, offering excellent flexibility as a home office, treatment room, hobby space or occasional accommodation, subject to any necessary consents. The studio incorporates a reception area, kitchenette and cloakroom. A pedestrian door beyond opens into the garage, which is accessed from the rear lane and is complemented by parking immediately in front.
