Overview

Welcome to 61 James Street, Midway – a spacious and beautifully presented three double bedroom terraced home offering an abundance of character, generous living accommodation, and a stunning private rear garden. Ideally suited to first-time buyers, families, or investors, this delightful property has been thoughtfully maintained and enhanced by the current owners, including the installation of new windows throughout in December 2024.

To the front of the property, there is convenient on-street parking and a walled boundary enclosing a charming low-maintenance fore garden with a paved pathway leading to the front entrance gate and door. Upon entering, you are welcomed into a bright and characterful entrance hallway which boasts the original Minton tiled flooring, a beautiful period feature that sets the tone for the rest of the home. From the hallway, doors lead to two generously proportioned reception rooms.

The front lounge is a spacious and inviting room featuring a large walk-in bay window that floods the space with natural light, along with an open fireplace which adds warmth and traditional charm. The room is carpeted and includes a radiator, a useful understairs storage cupboard, and ample space for freestanding furniture, making it a perfect setting for relaxation or entertaining. The second reception room, currently used as a second sitting room, offers equally impressive dimensions and could be easily adapted for use as a dining room. It features a decorative electric fireplace with surround, carpeted flooring, radiator, central ceiling light, TV point, and a large window overlooking the delightful rear garden. A staircase from this room leads to the first-floor accommodation, and a door provides access to the kitchen.

The breakfast kitchen is well-appointed and impressively sized, fitted with a range of cream wall and base units, complementary worktops, and vinyl flooring. The kitchen houses the Ideal Standard boiler and includes a stainless steel sink and drainer positioned beneath a window with views to the side elevation. There is space for a freestanding cooker, room for a dining table, and a rear door leading directly to the garden. Off the kitchen is a highly practical pantry/utility area offering additional storage, plumbing and space for a fridge freezer and washing machine, as well as a frosted side window providing natural light.

Upstairs, the first floor offers three impressive double bedrooms and a modern shower room. Bedroom One is located at the front of the property and features a large window, carpeted flooring, and radiator. Bedroom Two, positioned at the rear, is another fantastic size double

room with a window overlooking the beautiful garden, carpeted flooring, radiator, and the added benefit of fitted wardrobes. Bedroom Three, also to the rear, is a bright and comfortable double room with a rear-facing window, carpet, and radiator. The modern shower room completes the first-floor accommodation and is fitted with a three-piece white suite including an electric shower cubicle, pedestal wash hand basin, and low-level WC. The room is finished with full tiling to walls and floor, a frosted window to the front elevation, and a chrome towel heater.

One of the standout features of this superb home is its large, private rear garden, which enjoys no shared access and is a true sanctuary for those who enjoy outdoor living. The garden begins with a paved patio area, perfect for al fresco dining in the warmer months. Beyond this, the space opens into a beautifully maintained garden with mature planting and colourful shrubs. There are two useful outbuildings including an outside WC and additional storage, ideal for tools and garden equipment. A central pathway leads to a charming water feature and further seating area, while a decorative archway reveals a lawned section and a decked area housing a summerhouse with electricity and power, along with a garden shed – both of which are included in the sale. Fully enclosed with fenced boundaries, the garden also benefits from a side gate providing access to the front.

This delightful home successfully blends period character with practical living and is located in a sought-after area of Midway, with excellent local amenities, schools, and transport links nearby. With its versatile layout, spacious interiors, and outstanding garden, 61 James Street offers an exceptional opportunity to secure a forever home or a sound investment.
