Bolton-le-Sands is a highly desirable coastal village situated between Lancaster and Morecambe, offering a strong sense of community alongside excellent local amenities. The village benefits from a range of shops, cafes, pubs and well-regarded schools, as well as convenient transport links via the nearby Bay Gateway and Lancaster and Carnforth railway stations. With scenic canal-side walks, easy access to the coastline and the nearby Lake District, it provides an ideal balance of village living and connectivity.

Step in through the front door into the impressive open-plan kitchen diner, an ideal space to enjoy family time or host guests. Fitted with ample wall and base units, the kitchen features high-end integrated Siemens appliances including an induction hob with separate wok burner, extractor hood, dual ovens, microwave, warming drawer and coffee machine. Further integrated appliances include a Bosch dishwasher, wine fridge and a double stainless steel sink with drainage, rinsing tap and waste disposal. A central island provides additional storage and a convenient breakfast bar, while there is plenty of space for a large family dining table and an American-style fridge/freezer. The space is further enhanced by underfloor heating.

Flowing through the home, a practical utility room sits just off the kitchen, offering excellent storage for coats and shoes, along with space and plumbing for a washing machine and dryer, plus an additional stainless steel sink. To the rear, a spacious living room features a striking fireplace, creating a warm and inviting space to relax in the evenings, with access to a rear porch and sliding patio doors opening onto the garden. A downstairs WC completes the ground floor.

Upstairs, the principal bedroom is positioned to the rear and benefits from a generous dressing area with fitted storage, along with a luxurious en-suite featuring a freestanding bath, separate shower enclosure, WC and vanity unit. Three further well-proportioned double bedrooms are located to the front of the property, while a single bedroom provides an ideal space for a home office or nursery. The family bathroom is fitted with a four-piece suite comprising a fitted bath, corner shower enclosure, WC and wash basin, along with a useful airing cupboard.

Externally, the property continues to impress with a private rear garden, designed for ease of maintenance with a combination of faux lawn and patio areas, perfect for children, pets and outdoor dining. The property also benefits from off-road parking for three vehicles and a garage, which can be accessed directly from the kitchen, offering additional storage.
