Beyond its attractive frontage lies a property that has evolved beautifully for modern family living. Upstairs, the property continues to impress with four generously proportioned bedrooms, with two overlooking the attractive tree-lined frontage and two enjoying views across the beautifully private rear gardens. A well-appointed family bathroom serves the first floor, offering comfortable accommodation ideally suited to growing families.

Stepping outside, the rear garden is every bit as impressive as the interior. Exceptionally private, mature and enjoying an enviable sunny aspect throughout much of the day, it offers an idyllic setting for children to play, outdoor entertaining or simply relaxing in peaceful surroundings. Rarely do gardens of this size, privacy and orientation become available within such close proximity to the centre of Saltburn.

To the front, mature planting enhances the property's attractive kerb appeal, whilst a driveway provides valuable off-road parking.

Further enhancing its appeal, the property has recently benefited from a brand-new roof, expertly installed by a highly regarded roofing contractor and backed by a comprehensive warranty, providing complete peace of mind for years to come.
