Description

Located in the popular development of Strawberry Fields, Locks Heath shops, schools and pubs are all within walking distance. Warsash Village is only a mile away, the village has a lovely atmosphere, where you can take riverside walks along the river or hop on the pink ferry over to Hamble for lunch. There is also a Sailing Club to enjoy local water sports or just sit in the sun and watch the boats bobbing up and down on the river. Built in 2015 this Taylor Wimpey link-detached home offers family friendly accommodation with driveway parking for two cars and a garage for storage.

Stepping inside to the reception hall take a moment to notice the smart Karndean wood effect flooring which flows through into the living room. A downstairs cloakroom and under stairs storage are welcome additions. The kitchen/breakfast room to the front of the property has modern units with a gas hob and electric oven and space for further appliances. There’s room for a small table and chairs, so you can sit and grab a bite and coffee before dashing out in the morning. The living room spanning the rear of the house offers great space for the family to sit round and room for a dining table for formal meals.

Upstairs doors lead off the landing to the three bedrooms and family bathroom. The master has built in wardrobes and a stylish en-suite shower room with window for ventilation and natural light. The second double bedroom and third single share the family bathroom which has a modern white suite with separate shower over the bath.

Outside the south/west facing rear garden is arranged with lawn and flower beds, there is also a patio, perfect for a BBQ with friends and family on warm summer evenings. It is enclosed by panel fencing with side access gate and a personnel door into the garage which is a really great size. Making the most of the south/westerly aspect the solar panels on the roof should help subsidise your electricity bills.
