## Key Features

- Fully modernised and beautifully presented throughout
- Extended to both the ground and first floors
- Recently fitted kitchen with integrated dishwasher
- Impressive four-piece first-floor bathroom
- Additional attic room with skylight, power and lighting

A traditional address with a thoroughly modern twist. And rather a lot more to offer than first meets the eye!

If you're looking for a home that combines the charm and familiarity of a traditional terraced property with the finish and convenience of modern living, then this beautifully presented, fully modernised two-bedroom home on Kitchener Street deserves your attention.

Extended to both the ground and first floors, this is a property that has made excellent use of its footprint, creating a home that offers more than you might initially expect.

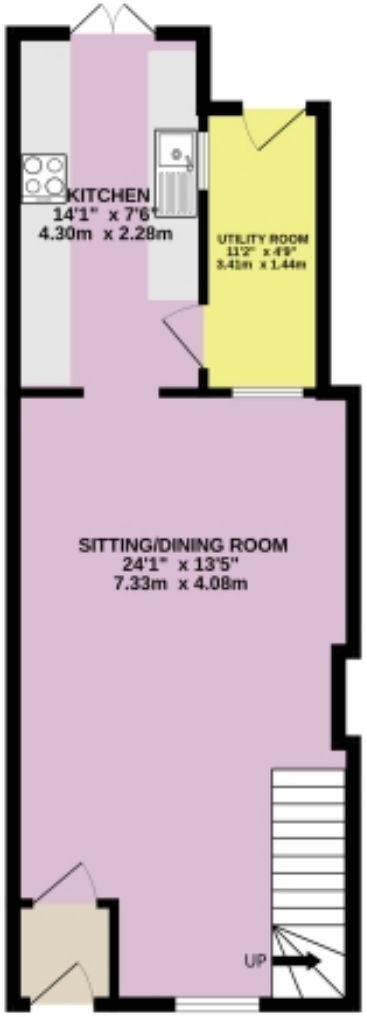

Let's start with the kitchen. Recently fitted and thoughtfully appointed, it comes complete with underfloor heating and integrated dishwasher, bringing a contemporary feel to one of the most important rooms in the house. Whether you're preparing a quick breakfast before work, cooking for friends or enjoying a slower Sunday morning, it's a space designed to make everyday living that little bit easier.

The ground-floor extension adds another dimension to the accommodation, providing additional space to enjoy and giving the home a more generous feel. It's the sort of improvement that makes a difference not just on viewing day, but in the everyday rhythm of life.
