AUDLEY RETIREMENT VILLAGES

Our idea of retirement is different

For Audley owners, the future feels assured. Here, you can live the life you love, with your highly valued independence in a property you own, with help and support on hand if you need it.

Owning a home at Ellerslie gives you a truly independent lifestyle in a beautiful and secure environment. We are continually listening to the needs and wishes of our owners, curating an experience tailored to your lifestyle.

You could choose to nurture a love of gardening across our stunning, landscaped grounds, or continue to travel the world knowing that your home is taken care of. You could choose to try one of our invigorating fitness classes or relax into a healing mindfulness session. You could choose to immerse yourself in the thriving community around you, or simply enjoy the peace of your own luxury apartment.

It's completely up to you.

It can only be Audley.

What makes Audley Ellerslie special

Nestled on the edge of the breathtaking Malvern Hills in the once-famous Victorian spa town of Malvern, Ellerslie offers the best of urban and rural living: plenty of shopping, dining and entertainment nearby, with uninterrupted views of the Severn Valley.

Epitome of elegance

Set against the spectacular backdrop of the glorious Worcestershire countryside, Ellerslie has 101 one-, two- and three-bedroom properties. The Village centres around three Victorian mansions, flanked by a refurbished cottage and sensitively designed new-builds.

Built in 1855, the Ellerslie Mansions was once a water cure establishment visited by the likes of Charles Darwin and Florence Nightingale. Lind House, with its restaurant overlooking the Severn Valley – is named after the famous Jenny Lind, the 'Swedish Nightingale', whose final resting place is here in Malvern.

Perfectly located

Charming Malvern attracts artists and craftspeople, who exhibit their wares in its shops, galleries and markets. As well as an array of cafés and restaurants, bookshops, antique dealers and fashion boutiques on your doorstep, there are plenty of other things to do and visit – such as the Great Malvern Priory, the Malvern Theatre, and The Malvern Spa.

If you're looking to travel further afield, Malvern is just half an hour by train to the cathedral city of Hereford and less than an hour to vibrant Birmingham.

Malvern is just half an hour by train to the cathedral city of Hereford and less than an hour to vibrant Birmingham.

Our attention to detail is unparalleled

Exquisite workmanship

Each of our luxury properties at Ellerslie is beautifully crafted and built to an exceptional standard. You will find the highest quality workmanship and carefully considered layouts inspired by both form and function, making homes which are both practical and inspiring.

Carefully considered

We pay careful attention to every element of the property, from the living space to the lighting, from the fridge to the counter tops. Each home has everything you need to create your sanctuary.

Steeped in history.

Local history museum

Housed in the mediaeval monastic gatehouse, the Malvern Museum is small but filled with fascinating tales of the town's history. Learn about the exposed prehistoric hill forts, the mediaeval forest and monastery, water cure patients, Malvern motor cars, and the secret work of countless radar scientists.

Georgian castle

Located near Ledbury and surrounded by a beautiful lake and arboretum, Eastnor Castle is home to the Hervey-Bathurst family. Walk through the overlooking 300-acre Eastnor Deer Park – a designated National Landscape and Site of Special Scientific Interest, where a herd of Red Deer graze.

Car factory tours

Famous the world over for its unique blend of craft, heritage and pure driving experience, the Morgan Motor Company has been manufacturing quintessentially British vehicles in Malvern for more than 110 years. Take a truly authentic guided tour through every workshop – each with its own sights, smells and sounds.

Surrounded by beauty

Famed for their landscape and therapeutic spring water, it's easy to see why the nearby Malvern Hills have been declared an Area of Outstanding Natural Beauty. Whether you're looking for somewhere to breathe in the fresh air and stretch your legs or a place to walk your four-legged friend, check out the Easier Access trails to find something for everyone.

Just a five-minute drive away is The Worcestershire Golf Club – established in 1879, it's proud to be the oldest club in Worcestershire and one of the oldest in England. Set against the stunning backdrop of the Malvern Hills, as well as impressive views you can look forward to 120 acres of interesting and testing greens nestled in mature parkland.

Malvern Hills have been declared an Area of Outstanding Natural Beauty for their landscape and therapeutic spring water.

Why Audley.

The UK's first luxury retirement village

In 1983 our Chief Executive Nick Sanderson founded a company called Beaumont – which over time developed the conventional care home concept into something completely different – the UK's very first luxury retirement villages. Over thirty years on, we continue to grow and develop our luxury concept.

Our solid foundations and innovative thinking have attracted major financial backing from institutional capital.

Our growing communities

Willicombe Park in Royal Tunbridge Wells, our first retirement village, opened back in 2000. We are proud to say it is now a thriving community. Thanks to our strong financial backing, we are also pushing ahead with our plans to build further luxury villages across the UK.

The UK's very first luxury retirement villages.

It can only be Audley.

The simple way to sell your home

Moving home can be a stressful experience, particularly if you need to sell your current property first. Audley's partners can remove the uncertainty of the process.

Our home buying service and assisted sale service are available individually or together and are managed by our market-leading partners who offer two of the most competitive and attractive schemes available.

HOME BUYING SERVICE

Guaranteed cash buyer for your property

Our home buying partners act as cash buyers, giving you the peace of mind of a guaranteed sale.

Speed

An offer will be made within seven days and contracts are usually exchanged in 28 days.

No chain

The home buying service removes the risk of delays and fall-throughs often encountered with chains.

Option to stay in your current home after completion

We can arrange for you to stay in your property for up to two weeks after completion on your new Audley property, helping to reduce the stress of arranging your removals.

Flexibility

All types of properties will be considered – irrespective of the location or value.

No estate agent fees

Not only will our partners handle all the legal paperwork, you'll avoid paying estate agents' fees.

Your decision

If an offer is reduced following an unfavourable survey you are under no obligation to accept it. A higher value may be achieved for your property by selling independently of the home buying service.

Buyers are advised to take their own advice to ensure the service is suitable for their needs.

HOW IT WORKS

Step 1

Once you've found your perfect Audley property, you simply provide the details of your current home to us and our home buying partners will obtain valuations from our network of trusted local estate agents.

Step 2

An offer will then be made to purchase your home. If you accept the offer a survey will be arranged and our home buying partner will then confirm their offer.

Step 3

Your property is now sold, your Audley property can be reserved and solicitors are instructed to proceed to exchange within six weeks. You can move in when your property is ready, or up to two weeks after the completion date if you need some extra time to make the move.

ASSISTED SALE SERVICE

Let our partner take the stress of moving house, so you can focus on what's to come. With assisted sale our partner establishes the value of your property,

works with the high performing estate agents in your area and provides you with feedback following viewings. They will also negotiate on your behalf to ensure you get the best possible deal. Once the sale is agreed they will

continue to drive the sale forward, working with all different parties and will keep in regular contact with you so you know what's going on. Ask your Audley team for more details.

Ensuring a stress-free move

Decluttering can be an overwhelming experience, particularly if you are starting to think about downsizing for the first time. Audley’s partner can help ease the pain of moving.

HELP WITH:

- Sort and pack your possessions
- Arrange and liaise with estate agents, solicitors, financial advisors and other professionals
- Organise a removal company
- Produce floor plans showing how your furniture will look in your new home
- Arrange for the auction, donation or disposal of unwanted items
- Unpack and set up your new home
- Co-ordinate cleaning, property repairs, waste removal and recycling, decorating, flooring and new furniture
- Deal with change of address notifications and co-ordinate connection to gas, electric, water, telephone, TV, internet and other suppliers.

Our downsizing partners

We work with various partners, who have teams of trained specialists, each committed to providing the highest standard of practical and emotional support.

Bridging option

Audley Villages has partnered with Knight Frank Finance to help you move into your new Audley property before you sell your current home. Customers who are awaiting the sale of their home and need to sell before purchasing have this option to speed up their move.

This is different from the normal terms of a bridging loan, where the borrower is required to remain in the property. Audley Group and Knight Frank Finance’s innovative structures mean customers will be able to move to a village and take advantage of all the facilities and care immediately.

Making finances simple

Naturally, when you are considering your next move, you want to be sure that you are making a sound long-term financial decision. Our aim is to ensure everything is as simple and stress-free as possible for you.

Two types of payment to make life easier

We collect two types of fee: a monthly payment and a deferred management charge. Our fees cover the overall costs of running an Audley retirement village. These include ongoing costs such as maintaining the exterior of your home, providing discreet but effective security, maintaining the village and the village grounds. Additionally, at some point in the future, expensive structural repairs or improvements will become necessary.

Ground rent

Please note that ground rent is not charged on new properties but remains payable on a selection of properties being sold by Audley owner(s) and the rate is set out in the relevant lease. Please ask the sales team for more information.

ALL THESE SERVICES ARE COVERED BY YOUR FEES:

- Building insurance for your home
- External upkeep of your home, so you don’t have to worry
- Professional garden and ground maintenance
- Regular clearing of roadways and footpaths
- Servicing of lifts
- Servicing of CCTV, emergency call system, intruder and smoke alarms

Night Porter and security service

Firstline home carers and call line services 24 hours a day, 7 days a week

Nightly removal of your rubbish

External window cleaning

A range of luxury facilities with Audley Club membership

Preferential rates for food and drinks at the restaurant, bar and bistro

Full servicing of the guest suite, bookable at an advantageous price

Free inter-property telephone calls

Onsite General Manager and Head of Audley Care with supporting teams

Minibus service for shopping trips and days out

Social events and activities organised by the General Manager

Fees associated with managing and operating Audley Court Ltd.

We offer additional goods and services at each Audley retirement village should you wish to use them. These vary from village to village and include a restaurant and bar, hairdressing, shopping, laundry and housekeeping. For your convenience, the cost of any additional services used will be added to your monthly invoice. Services and facilities offered and mentioned are subject to change in the future. Please refer to your lease for more information.

Reselling

We aim to get you the best possible price with the least amount of stress. Our staff will ensure every effort is made to complete the sale of your home as quickly and as efficiently as possible. On all resales, Audley will charge a sales administration fee of 1%* of the final achieved sales price or open market value, whichever is greater (VAT applicable).

THERE ARE TWO OPTIONS FOR SELLING YOUR PROPERTY:

You can instruct a traditional estate agent

You can instruct us to market your property to our database and waiting lists. This way, you know that the people being targeted are already aware of Audley

Our sales agency fee will be 2%* of the final achieved sales price or open market value, whichever is greater (VAT applicable)

*Property dependent, please consult with a member of the Audley sales team for details.
