A beautifully presented and deceptively spacious four-bedroom detached family home, tucked away in a quiet cul-de-sac within the ever-popular west-side of Burgess Hill — perfectly positioned for easy access to local amenities, commuter links, and surrounding countryside. From the moment you arrive, the property sets the tone with a generous driveway, upgraded garage doors, and a smart, well-kept frontage.

Inside, the home has been thoughtfully styled throughout, offering a warm and inviting feel that's ready to move straight into. The ground floor flows effortlessly, with a bright and elegant bay-fronted living room providing a cosy yet spacious setting to unwind. To the rear, the heart of the home is the kitchen/dining room, well-equipped with integrated appliances and ample workspace, seamlessly opening into a sun-filled conservatory overlooking the garden — perfect for entertaining, family life, or simply enjoying the space year-round. A downstairs WC and integral garage (with clear potential for conversion, subject to the usual consents) add further practicality.

Upstairs, you'll find three well-proportioned bedrooms, all presented in excellent order, alongside a modern and stylish family bathroom. The principal bedroom benefits from fitted mirrored wardrobes, enhancing both space and functionality, and Bedroom 2 also comes with a built-in cupboard for storage.

What truly sets this home apart is the detached garden annexe, offering outstanding flexibility for multi-use. With its own living area, double bedroom, and shower room, it's ideal for multi-generational living, working from home, or welcoming guests — effectively creating a fourth bedroom with its own private space.

The location is a real highlight. Positioned on the western side of Burgess Hill, The Saffrons is known for its peaceful setting while still being incredibly well-connected. The nearby Triangle Leisure Centre, local shops, and well-regarded schools are all within easy reach, while the A23 provides swift access to Brighton, Gatwick, and London for commuters. Both Burgess Hill and Wivelsfield mainline stations are also close by, offering direct services into London in under an hour. Surrounded by open countryside and just a short drive from picturesque villages such as Cuckfield and Hurstpierpoint, this is a location that perfectly balances convenience with a more relaxed, semi-rural lifestyle, with playparks just on your doorstep for the younger generations.

Combining stylish presentation, versatile living space, and a highly convenient yet peaceful setting, this is a home that truly stands out.
