The apartment benefits from gas-fired central heating, a security video entry system and lift access to all floors. Since its previous sale, the property has undergone a programme of tasteful refurbishment including complete redecoration throughout, quality wood-effect laminate flooring, an attractively refitted shower room, refreshed kitchen and the addition of bespoke colonial-style shutters to the bedroom, creating a fresh and modern interior ready for immediate occupation.

The well-planned accommodation comprises an entrance hall leading to a spacious open-plan living, dining and kitchen area. The original girders in the sitting room, kitchen and bedroom have been stripped back, painted black and made a feature. The kitchen has been refreshed with painted units and a contemporary glass splashback behind the hob whilst retaining a range of integrated appliances. There is a generous double bedroom fitted with attractive colonial-style shutters and a beautifully refitted shower room featuring a contemporary white suite incorporating a gloss white vanity unit with two storage drawers, low-level WC, walk-in shower enclosure with composite shower tray, glazed screen and chrome thermostatic shower with both rainfall and handheld attachments. The shower room is completed with stylish wall tiling, a chrome heated towel rail and ceiling-mounted extractor fan.

The development enjoys a highly convenient position within comfortable walking distance of Newark town centre, with its attractive Georgian Market Square offering an excellent selection of independent shops, cafes, bars and restaurants, together with national retailers and supermarkets including Waitrose, Asda, Morrisons, Aldi and an M&S Foodhall. Newark benefits from two railway

stations, with high-speed services from Newark Northgate to London King's Cross in approximately 75 minutes, together with excellent road links via the A1 and A46, making the property ideal for commuters.
