A three bedroom detached house presented in immaculate condition throughout, situated in a highly favoured suburban location close to excellent local amenities.

The property was built in the early 1990s and has been beautifully refurbished and modernised throughout by our client to include a modern kitchen and shower room, the addition of a conservatory off the lounge which has a tinted transparent roof. The property benefits from neutral decor and flooring throughout, gas central heating (combi boiler) and UPVC double glazing.

The living accommodation comprises an entrance hall, kitchen, spacious dual aspect lounge and a conservatory. The first floor landing leads to three bedrooms (bedroom one and two each with ample fitted wardrobes) and a modern, fully tiled shower room.

OUTSIDE

The property occupies a good sized triangular shaped plot with pleasant side and rear aspects over adjacent woodland. The property is well screened from the road behind an established and well maintained conifer boundary which extends the full depth of the plot beyond the garage. There is a front pedestrian gate opening to sandstone steps providing access to the front entrance door. The front garden is laid to low maintenance slate chippings with a selection of mature plants and shrubs. A sandstone path continues across the front of the house and round to the side where there are double gates opening onto a block paved driveway in front of a detached single garage with a remote controlled electric door. The block paving continues to the side of the garage with gravel, plants and shrubs as well as a useful bin storage area. To the rear of the property, there is a most delightful, enclosed, south facing landscaped garden enjoying the woodland aspect to the side. There is an extensive sandstone patio and raised beds/rockery with a variety of plants and an enclosed sandstone path to the other side of the house.
