CLEVEDON, BS21 6EW

SUMMARY

This first-floor turnkey apartment is double-glazed throughout, combining a sleek, comfortable finish with a prime location—making it ideal for first-time buyers or young professionals.

The bright open-plan living space centers on a practical layout with a well-appointed lounge and contemporary kitchen, complete with useful built-in storage cupboards. Integrated appliances include a washer/dryer, dishwasher, electric oven, and gas hob, creating a seamless setup for everyday living and entertaining.

Both double bedrooms feature generous proportions and built-in storage. In the primary bedroom, the built-in wardrobe space has been cleverly repurposed into an integrated workstation. It provides a dedicated home office setup that folds away out of sight, helping maintain a clear boundary between work and personal time. A modern family bathroom serves both rooms.

The home has been extensively updated by the current owner, with a strong focus on quality finishes and functional day-to-day living.

Outside, the property includes a private, low-maintenance outdoor area. It offers a quiet setting for summer seating or container gardening, providing a straightforward private space to relax and unwind.
