## The Indoors

Upon entering, the hallway provides access to all areas of the apartment. The two bedrooms sit opposite each other, with the kitchen/living area at the end of the hallway and the main bathroom adjacent. The open-plan kitchen/living space is well laid out, featuring an arched wall that creates a subtle sense of separation while remaining cohesive with the rest of the home. This room is bright, benefiting from well positioned windows. Nearby is the main bathroom, which includes a bath with a fixed shower head and contemporary fittings. Beyond this are the two bedrooms, which mirror each other in size and layout, comfortably accommodating double beds and plenty of space for wardrobes, and enjoying abundant natural light from thoughtfully placed windows.
